Disposal Recycle Charter.

We encourage re-purposing and recycling of pre-loved chairs to reduce our impact on the environment. When a customer has a chair that they wish to dispose of, we apply the following steps to determine the most appropriate method.

We're working with **Trees That Count** to mitigate our CO₂ footprint over the next 50 years, and help protect New Zealand's threatened biodiversity.

Greening Australia has been restoring Australia's unique landscapes and protecting biodiversity at scale through collaborative, science-based programs for over 40 years. For more information, visit: www.greeningaustralia.org.au.

As a **Sedex member** we are committed to being a responsible business, sourcing responsibly, and improving ethical standards and working conditions within the supply chain.

*Many of our chairs are GREENGUARD certified for safe emission levels. This reduces the environmental impact when sending any components to landfill. For more info, please visit buroseating.com/environmental.
