Buro Force Drafting

Elevated comfort

The Buro Force Drafting Chair is purpose-built for elevated workspaces. Its breathable mesh back promotes airflow to keep you cool under pressure, while the sculpted lines and contoured edges reflect its refined functionality. Designed with your comfort in mind, it features a height-adjustable lumbar support and adjustable seat height for tailored positioning. The stylish foot ring in sleek black powder coat, and weight-on locking castors of the Buro Force provide extra stability. GREENGUARD Gold certification, ensures a healthier workspace. Work elevated. Stay grounded in comfort.

Quality Assurance and Accreditations

Buro Product Stewardship Programme

We encourage repurposing and recycling of pre-loved office furniture to reduce our impact on the environment. When a customer has Buro furniture* that they wish to dispose of, we apply the following steps to determine the most appropriate method.

To mitigate our CO2 footprint over the next 50 years, we're working with **Trees That Count**, a conservation charity dedicated to planting native trees.

By funding the planting of native trees, we're supporting efforts to increase biodiversity across New Zealand.

Buro proudly support **Greening Australia**.

Greening Australia has been restoring Australia's unique landscapes and protecting biodiversity at scale through collaborative, science-based programs for over 40 years.
www.greeningaustralia.org.au.

As a **Sedex member** we are committed to being a responsible business, sourcing responsibly, and improving ethical standards and working conditions within the supply chain.

*Qualifying furniture must be Buro branded product (Buro Seating, Konfurb, Mondo), or a partner exclusive brand. ^Many of our products are GREENGUARD certified for safe emission levels. This reduces the environmental impact when sending any components to landfill.
