Buro Syntra 1200w Height Adjustable Desk

Buro Syntra

Ergonomic innovation

The Buro Syntra Height Adjustable Desk delivers practical ergonomic performance in a compact, streamlined design. Built on a powder-coated steel round leg frame, it features a 25mm FSC-certified E0 board desktop with durable ABS edging and a clean laminate finish. The motor operates at just 48 decibels, providing smooth height adjustment through a 2-stage telescopic system. Simple 5-key controls include Healthy Spine Mode and two memory presets. Integrated safety protections and efficient flat-pack delivery make the Buro Syntra an ideal solution for modern offices and home workspaces.

Key Features & Benefits

Buro Product Stewardship Programme

We encourage repurposing and recycling of pre-loved office furniture to reduce our impact on the environment. When a customer has Buro furniture* that they wish to dispose of, we apply the following steps to determine the most appropriate method.

To mitigate our CO2 footprint over the next 50 years, we're working with **Trees That Count**, a conservation charity dedicated to planting native trees.

By funding the planting of native trees, we're supporting efforts to increase biodiversity across New Zealand.

Buro proudly support **Greening Australia**.

Greening Australia has been restoring Australia's unique landscapes and protecting biodiversity at scale through collaborative, science-based programs for over 40 years.
www.greeningaustralia.org.au.

As a **Sedex member** we are committed to being a responsible business, sourcing responsibly, and improving ethical standards and working conditions within the supply chain.

*Qualifying furniture must be Buro branded product (Buro Seating, Konfurb, Mondo), or a partner exclusive brand. ^Many of our products are GREENGUARD certified for safe emission levels. This reduces the environmental impact when sending any components to landfill.
