

Buro MyWorkSpace A-Frame High Training Table

Buro MyWorkSpace

A-Frame High Training Table

The Buro MyWorkSpace A-Frame High Training Table is designed for flexible, collaborative environments where standing meetings, workshops, and team activities are part of the day. Its clean, contemporary design suits a range of workplace and education settings, while the durable construction is built to handle frequent use. Large lockable castors allow the table to be easily moved and reconfigured as needs change, helping create adaptable spaces that support collaboration, discussion, and productivity.

Quality Assurance and Accreditations

Buro Product Stewardship Programme

We encourage repurposing and recycling of pre-loved office furniture to reduce our impact on the environment. When a customer has Buro furniture* that they wish to dispose of, we apply the following steps to determine the most appropriate method.

To mitigate our CO2 footprint over the next 50 years, we're working with **Trees That Count**, a conservation charity dedicated to planting native trees.

By funding the planting of native trees, we're supporting efforts to increase biodiversity across New Zealand.

Buro proudly support **Greening Australia**.

Greening Australia has been restoring Australia's unique landscapes and protecting biodiversity at scale through collaborative, science-based programs for over 40 years.
www.greeningaustralia.org.au.

As a **Sedex member** we are committed to being a responsible business, sourcing responsibly, and improving ethical standards and working conditions within the supply chain.

*Qualifying furniture must be Buro branded product (Buro Seating, Konfurb, Mondo), or a partner exclusive brand. ^Many of our products are GREENGUARD certified for safe emission levels. This reduces the environmental impact when sending any components to landfill.
