Buro MyWorkSpace A-Frame Training Table

Buro MyWorkSpace

A-Frame Training Table

The Buro MyWorkSpace A-Frame Training Table is designed to support flexible learning, training, and collaborative work environments. Combining a clean, contemporary design with durable construction, it provides a practical solution for spaces that need to adapt throughout the day. Lockable castors make it easy to move and reconfigure layouts as requirements change, while the strong steel frame delivers reliable everyday performance. Suitable for education settings, meeting rooms, and multipurpose workspaces, this versatile table helps create functional, professional environments that can evolve with changing needs.

Quality Assurance and Accreditations

Buro Product Stewardship Programme

We encourage repurposing and recycling of pre-loved office furniture to reduce our impact on the environment. When a customer has Buro furniture* that they wish to dispose of, we apply the following steps to determine the most appropriate method.

To mitigate our CO2 footprint over the next 50 years, we're working with **Trees That Count**, a conservation charity dedicated to planting native trees.

By funding the planting of native trees, we're supporting efforts to increase biodiversity across New Zealand.

Buro proudly support **Greening Australia**.

Greening Australia has been restoring Australia's unique landscapes and protecting biodiversity at scale through collaborative, science-based programs for over 40 years.
www.greeningaustralia.org.au.

As a **Sedex member** we are committed to being a responsible business, sourcing responsibly, and improving ethical standards and working conditions within the supply chain.

*Qualifying furniture must be Buro branded product (Buro Seating, Konfurb, Mondo), or a partner exclusive brand. ^Many of our products are GREENGUARD certified for safe emission levels. This reduces the environmental impact when sending any components to landfill.
